Engagement of Marketing and Promotions Consultant (MPC) (Full Time)

Small Industries Development Bank of India (SIDBI) is the Principal Financial Institution for Promotion, Financing and Development of the Micro, Small and Medium Enterprise (MSME) sector as well as for co-ordination of functions of institutions engaged in similar activities. The differentiator role as Development Financial Institution we play is primarily because of Credit plus services (Non-Financial services) we are able to offer to our primary stakeholders i.e., MSMEs and Entrepreneurs.

SIDBI aims to further accelerate this effort by creating an integrated credit and development support ecosystem for Indian MSMEs, thus promoting their inclusive growth, enabling them to be globally competitive and play crucial role in Atmanirbharat Bharat.

The idea of Marketing and Promotions Consultant (MPC) is envisaged as a dedicated human resource for promotional and development activities for bringing in fold of e-commerce the excluded artisans and nano enterprises at grassroot level and accelerate their growth thereby creating a level playing field for all with contribution to the overall economic development. Further, MPCs are expected to give push to the B2B business of the MSMEs with an aim to provide larger market access to them. SIDBI in association with Open Network for Digital Commerce have supported access to e-market for the artisans, weavers, nano enterprises and MSMEs spanning across the country. MPCs would play a critical role to leverage the partnerships and converge with these stakeholders to have synergy in the interventions.

MPCs would facilitate the conducive environment and ecosystem for promotion of e-commerce facilities for artisans, weavers, nano entrepreneurs and MSMEs.
